

Sudanese American Medical Association

Job Title: Videographer – Dr. Bushra Ibnauf Center for Learning

Location: Port Sudan, Sudan

Job Type: Contract

Start date: October 1, 2024

Compensation: Based on the best offer

About the Project

We are seeking a skilled videographer to produce a high-quality short video that showcases the impact of the Dr. Bushra Ibnauf Center for Learning in Port Sudan. This video will highlight its essential role in providing education and professional training to students, and healthcare professionals.

The video will include interviews, a b-roll of learning in action, and impactful storytelling that captures the center's mission of empowering individuals and building a brighter future for Sudan.

Key Responsibilities:

- Collaborate with the SAMA team to understand the vision and objectives of the video.
- Plan, shoot, and edit a high-quality 3-5 minute video showcasing the center's facilities, programs, and impact stories.
- Capture interviews with the learners and staff who can share their experiences at the center.
- Film dynamic b-roll footage of the learning activities, and the general environment of the center.
- Incorporate a clear and compelling call to action that encourages viewers to support the center through donations.

Requirements:

- Good command of English language
- Good communication skills to interact with staff, students, and interviewees.
- Proven experience as a videographer, with a portfolio of past work (preferably in educational sectors).
- Storytelling skills with the ability to translate the center's mission into a visual narrative.

Sudanese American Medical Association

- Proficiency in video editing software and post-production skills
- Access to video equipment for shooting and editing.

About the video

Duration: 3-5 minutes

Format: Horizontal

Language: English

Content:

- About Dr. Bushra Ibnauf Suliman
- A brief introduction to the center
 - Wide shots of the center to provide context
- Dr. Omer Gomaa's story- Director of operations
- Impact stories:
 - SAMA scholars
 - Healthcare professionals
- Visuals of learning activities in action
- Call to action for viewers to support the center through donations

Payment

- Compensation is based on the best offer
- Payment will be issued in SDGs by Bankak
 - 30% Paid in advance
 - 70% paid after submission of a satisfactory video version
